

Turfheads Waste Go Overview – Gteam Connect: 23/12/2022

Turfheads Waste Go Overview – Gteam Connect

About Turfheads Waste Go:

“Turfheads Waste Go” has been created as an add-on service for Turfheads franchises. As a service Turfheads was created in 2012. It is a product of Genius Teamcare Limited and bundled with JoineryFX Ltd’s Turfheads Landscapes franchise.

Existing Turfheads Landscapes logo

As a whole, the Turfheads tradename represents a value improving asset for Genius Teamcare Limited. Services include: lawn care, grass cutting, weeding, transplanting, turfing, hard and soft landscaping, timber and stone structures.

Turfheads Waste Go Logo

Turfheads Waste Go is now available for new and existing gardening contractors

“Waste Go On-Demand” one off garden clearance and green waste removal is expected to be launched 1 March 2023.

Offer your customers a choice of payments: Direct Debit, Phone payments and order by Card off our website.

The whole service is offered as a franchise opportunity in the Gteam Connect programme that allows Genius Teamcare to connect with contractors (franchisees) through offering graded-by-price job referrals and a feature set that helps franchisees develop their payments collection, setting up customer, contracts, adverts, trade names, and improve their marketing strategies. All provided as individual job referral fees plus the one to five feature sets at £20 per annum each.

Turfheads and its sub headed additions will remain trade names and intellectual property of Genius Teamcare Limited.

New Turfheads Lawn Care Logo

We are also including the “Turfheads Lawn Care” trade name. We hope to order a suitable domain name for the advertising.

We are offering simplified ordering of services on <https://joineryfxtools.com> a sample is now available for pre pay.

Waste Go Contractor Overview: 23/12/2022

Create a garden with green and brown waste collection and recycle service:

1. Essential equipment required to start – Car and 2 tonne tipping trailer or 2 tonne tipping truck (Ford Transit size) plus fuel, repairs, insurance.

Min Cost £2000.00

2. SEPA Waste Carrier Licence per year £ 231.00
Second Year £147.00

3. Tipping Charged by Council – per tonne plus vat minimum £20.00 £ 81.85

Trade Recycling Centres – Macduff, Banchory, Ellon.

4. A & M Smith charges:

4 cubic yard – 4 tonne	£150.00
8 cubic yard – 8 tonne	£260.00
12 cubic yard – 12 tonne	£360.00

If skip is stored at your own premises it must be stored off road. The skip can be stored until full at no extra charge. Put branches on top of the bags so skip hirer can unload easier.

5. Sell larger branches as firewood – Requires log splitter and cross cut saw/chain saw and bench.

6. This service can be offered as an add on product for Turfheads Landscapes and Turfheads Lawn Care. Service is advertised as “Turfheads Waste Go.”

7. Domain where booking form is located:

Bookings and collections: <https://gteam.work/wastego-collections>

Pre pay small lots to skips on JoineryFXTools: <https://gteam.work/wastego-prepay>

8. Customers can buy:

£20.00 - £100.00	1-50 recycling bags.
£220.00 to £420.00	Skip 4, 8 and 12 cubic yard.
£150.00	One full load trailer or pickup (2 cubic yard)

9. Conditions note: We fill the trailer or skip it is not the customer. Customer agrees to cut branches to 100cm or 3ft. We can book skip for 30mins to load while the driver waits. No waste other than green waste allowed. No waste is to be deposited outside the customer's property.
